2013: Instructor, Theta Healing Instructor, Theta Healing Basic and Advanced DNA, Manifesting and Abundance, Rhythm to a Perfect Weight, Game of Life and Theta Healing for Animals.

Services

Animal Communication

1965-present When needed; provide them and their owner-guardians with profoundly accurate communication, healing and comfort. I have enhanced my natural gifts by including the use of Reiki, Theta Healing, Music, Prayer Work, Bach Flower Remedies, Tarot and Astrology as needed in her treatments. Whether in person, over the phone, via emails, or with long-distance communication and energy work, I have been able to pinpoint the areas of misunderstanding and bring clarity to guardians about their animals for behavioral, health/healing, and grief issues.

Private Practice

May 1985-present Supervisor: Carol Schneider, Ph.D.

Position/Duties: Psychotherapist and music facilitator
 Reiki Master and Teacher
 Intuitive Counselor

Work with clients, do consultations, workshops, research [i.e. develop and test music programs for session work]; work with issues such as personal and sacred development, abuse, anxiety, depression, grief, and loss.

Clients: adults and teenagers, individuals, groups, couples, business groups, care givers and their pets.

Trainer

May 1985-1993 (as Certified Primary Trainer for the Bonny Method of Guided Imagery and Music):

- have given instruction, workshops, and presentations for Music and Imagery techniques, Symbol Systems

- supervised Interns for The Bonny Method of Guided Imagery and Music
- developed complex curricula (taught portions) and gave required personal psychotherapy/music sessions to students

Teacher

1994. Front Range Community College, Adult Education
- taught classes in music, myth, and dream work
 - developed curriculum related to psychological theory and application
- 1996-present Classes, Skype classes
- Reiki I, Reiki II, Reiki Master/Teacher
 - **Animal Communication**

Computer Consultant

January-June 2007 **Client:** Margaret Cole, Boulder author
Duties: Helped her with digital transformation, putting old 35 mm slides onto her PowerBook for both her Native American presentation and her Colorado Trains presentation; even helped her with writer's block.

February 2006-2010 **Client:** Golden West Senior Residence, Boulder
